- Subject Board Meeting
- Academic Audit
- Funded Projects
- Laboratory Development
- Faculty Activities
- Staff Activities
- Student Activities
- Result Analysis
- Placement Details and Student Internship

It is my pleasure to present you, yet another version of the department newsletter. The last semester was marked by many memorizing activities in the department. We have always been committed to giving exposure to our students, not only in terms of

regular Engineering curriculum but also to the aspirations of today's corporate world. Accordingly with the strong support of the Principal and with the help of the Faculty & Staff members we could establish "The Texas Innovation Centre" in our department. The setup of "Centre of Excellence" with the help of Cisco is also in progress and we expect it to be complete in the near future. We hope that such labs, with latest facilities will give our students a cutting edge in technical exploration and enhance their information search and analytical skills. This would further lead to a better Institute-Industry interaction.

Throughout the last academic year our students have demonstrated excellent performance not only in academics but also in co-curricular and extra-curricular activities. We feel extremely proud to declare that some of our students have won accolades even at the national level. Such activities of the students are always encouraged and supported by our Faculty & Staff members.

Another major happening in our department is the conduction of three Short Term Training Programs during the vacation period. This was possible only because of the excellent team spirit shown by

our Faculty and Staff members. I, on the behalf of our department would like to congratulate and thank everyone for making this possible, and hope the enthusiasm continues in future as well.

Our endeavor has always been to provide students with the best and as a part of this we are now ready with the revised and enhanced version of our curriculum, KJSCE 2018 which is implemented for the first year students. Also some rules and regulations related to student's projects will be amended with a goal to achieve academic excellence. We hope to reap its benefits in the coming future.

I would again like to remind everyone associated with the department, that suggestions and contributions for the betterment of the department and the college as a whole are always welcome.

On that note, I take your leave. Good Day!!

Dr. Ameya K. Naik
(HOD, EXTC)

Program Educational Outcomes (PEO's)

Vision:

To become center of excellence for creating competent engineers with evolving technical skills, leadership qualities with human values to pursue excellence in professional field.

Mission:

Providing quality education to

- Develop technical skills, soft skills and professional ethics to cater the needs of industry.
- Promote research and creativity in Engineering and technology.
- Inculcate awareness towards societal needs and environmental issues.

A graduate of Electronics and Telecommunication Engineering will be able to:

- **PEO1:** Excel in professional career by adapting emerging technologies.
- **PEO2:** Pursue higher education, research; address environmental issues with ethical practices.
- **PEO3:** Solve real life problems in a team as a member or as a leader.

Program Specific Outcomes for Department

- **PSO1:** Pursue higher studies in the field of Signal Processing, Networking and VLSI
- **PSO2:** Update Knowledge and Industrial Skills through Training and Internship

Program Educational Objectives (PEOs) as "describe what graduates are expected to attain within a few years of graduation."

OBJECTIVES		OUTPUTS		OUTCOMES	
MISSION AND VISION	STUDENT AND INSTRUCTOR EXPECTATIONS	PROGRAMS, ACTIVITIES AND SERVICES OFFERED	NUMBER OF ENROLLMENTS AND GRADUATES	SATISFACTION WITH QUALITY OF PROGRAM	TRANSFORMATIVE EXPERIENCES
QUALITY ENHANCERS	PERFORMANCE GOALS	REPUTATION AND RANK	ACADEMICAL PARTNERSHIPS AND ALLIANCES	NOTABLE ACHIEVEMENTS	CAREER READINESS AND PERFORMANCE
					
					

Department Activities

Subject Board Meeting

The 8th Subject Board meeting of the department of Electronics and Telecommunication of K. J. Somaiya College of Engineering (Autonomous) was held in Board room on 07th March 2018 at 11 a.m.

The following invitees along with faculty and student members of subject board were present:

Dr. Shubha Pandit, Principal, KJSCE, Mumbai

Dr. Vikram Gadre, Subject Expert

Dr. Kushal Tuckley, Subject Expert

Dr. Avinash Joshi, Subject Expert

Agenda:

- Welcome and Introduction of Subject Board members
- Highlights of 'KJSCE- 2014' scheme
- Addition of new courses as IDC or Departmental Electives in 'KJSCE-2014' if any
- Additional credits offered to students in 'KJSCE-2014' (AOCC)
- Proposed AICTE scheme
- Proposed 'KJSCE -2018' Scheme and FY B.Tech. Syllabus to be implemented in A.Y. 2018-19
- Examination Related matters
- Any other matter with permission of the Chair

Academic Audit (9th March 2018)

Dr. S. A. Pardeshi, Professor, PG/Ph.D Convener, E&TC Department, Rajarambapu Institute of Technology, Rajaramnagar (Islampur), visited for academic audit of the department. During the visit, evaluation of some of the important parameters / processes which are bench mark for academic development of the department were observed and measured as levels.

Funded Projects

Prof. Savita Raut and Prof. Sharvari Deshmane received University Minor Research Grant for the financial year 2017-18 titled "Solar powered surveillance system for the detection of human activity in Naxal prone areas".

Laboratory Development

Department of Electronics and Telecommunication, have signed an MOU with Texas Instruments regarding the establishment of Innovation Centre in the area of Internet of things (IoT).

With this innovation center we have various industry standard hardware and software support in the area of IoT and embedded systems which will be beneficial for student, faculty and researcher in the field of IoT.

This was coordinated by Prof. Chaitali Kulkarni.

Faculty Activities

Dr. Ameya Naik

18th Feb, 2018

Invited as Judge for "IET PATW Competition Mumbai Local Network Level" by IET-Mumbai Local Network.

26th March 2018

Appointed as Subject Expert for the Selection Committee at Vidyalkar Institute of Technology, Wadala(E).

Dr. R. G. Karandikar

14th Feb, 2018

Invited as expert at selection committee for appointment of Associate Professor in Electronics Engineering and Professor in Electronics and Telecommunication Engineering at D. J. Sanghvi College of Engineering.

22nd Jan 2018

Member in Advisory Committee Meeting to review the Program Educational Objectives to fill up the curriculum gap to meet current technological requirements at Rajiv Gandhi Institute of Technology.

11th Jan, 2018

Expert lecture on ISTE STTP on outcome based learning at EXTC Engineering at Bharat College of Engineering Thane.

3rd Jan, 2018

Prof. J. M. Kundargi was invited as a resource person for STTP on

"Publishing Boundaries of Wireless Technology Delivered Session on "Machine learning for efficient 5G Wireless Technology" at SPIT Andheri.

Organization and Participation at Guest Lectures /STTP/Workshops /Seminars

25th June to 29th June 2018

Prof. Chaitali Kulkarni and Prof. Kartik Patel organized six days STTP on "IoT & Advances in Embedded Systems" workshop under Texas University Programme.

Technical Committee

Dr. Ameya Naik, Prof. Kartik Patel, Prof. Nitin Nagori, Prof. Kiran Ajetao Prof. Akshata Prabhu.

Participant: Prof Ruchira Jadhav

Technical Assistance

Ms. Jayprabha Arekar.

25th June to 30th, 2018

Prof. Shilpa Vatkar attended IETE approved one week Short term Training Program on "Advanced VLSI Design & Application with hands-on in CADENCE Toolset" organized by

Shah & Anchor Kutchhi Engg. College, EXTC

Automation: Hands On organized by Electronics department KJSCE.

18th June to 23rd June 2018

Prof. Savita Raut and Prof. Vandana Satam, organized & co-ordinated AICTE-ISTE Approved One week STTP on "RF Antenna: Design & Analysis".

Technical Committee:

Prof. Bharti Singh, Prof. Anudeepa Kholapure, Prof. Dipak Kulakarni & Prof. Kiran Ajetroa

Technical Assistance: Ms. Shweta Indulkar, Ms.Sapna Desai, Mr.Nitin Babar.

14th June to 15th June 2018

Prof. Akshata Prabhu organized two day workshop on R- Programming for beginners (For F.Y. B. Tech Students).

11th June to 16th, 2018

Prof. Chaitali Kulkarni attended AICTE-ISTE Sponsored Refresher Program on ' Cloud Computing & Security' organized by Computer department KJSCE.

8th & 9th June, 2018

Prof. Mahesh Warang attended two days' Workshop on "Introduction to Robotics" organized by IIT Bombay.

4th - 8th June, 2018

Prof. Akshata Prabhu attended AICTE-ISTE Approved Short term Training Program on Industrial

24th April 2018

Prof. Chetna Singh organized & Prof. Ruchira Jadhav co-ordinated Precision Agriculture using Artificial Intelligence & Machine Learning for T.Y., S.Y. B. Tech Student.

4th April 2018

Prof. Mahesh Warang organized one day PLC based Automation program for T.Y. B. Tech Student.

3rd - 9th, May 2018

Prof. Jyoti Varavdekar & Prof. Chaitali Kulkarni attended AICTE-ISTE Induction/ Refresher Programme on "Innovative Teaching Learning Practices to Achieve Outcome Based Education & Accreditation" organized SPIT, Andheri (W).

23rd & 24th, April 2018

Prof. Mahesh Warang attended two days Symposium organized by VMCC, IITB.

2nd & 6th, April 2018

Prof. Vandana Satam attended AICTE-ISTE Approved Short term Training Program on Accreditation Procedure: NBA & NAAC organized by S. J. Jondhale College of Engineering & Technology, Asangaon.

8th March to 18th June, 2018

Prof. Jennifer Isaac attended FDP101x Foundation Program in ICT for Education & Pedagogy for Online and Blended Teaching- Learning Process organized by Computer department, KJSCE.

3rd March, 2018

Prof. Savita Raut & Prof. Sharvari Deshmane attended One day Workshop on "Hands- On Python Programming & data Analytics" organized by Computer department KJSCE.

26th Feb to 3rd March 2018

Prof. Sandeep Sainkar attended Hands on training on Active RF & Microwave Circuit Design organized by Dept. of Telecommunication Engineering, RV College of Engineering, Bengaluru, Karnataka.

27th Feb 2018

Prof. Mahesh Warang, Prof. Arati Phadke & Prof. Kirti Sawlani organized IIT Bombay's e-Yantra Ideas Competition for 12 Teams from 7 Different Colleges.

8th & 9th, Feb 2018

Prof. Kartik Patel, Prof. Akshata Prabhu, Prof. Esther Jennifer, Prof. Mahesh Warang, Prof. Chetna Singh & Prof. Chaitali Kulkarni attended ISTE approved two days hands on Workshop on Wireless sensor

networks and IOT organized by computer department, KJSCE.

5th Feb 2018

Prof. Savita Raut and Prof. Sharvari Deshmane Visited to R&DE DRDO, Pune with Faculty, KJSCE

12th-13th Jan, 2018

Prof. J. M. Kundargi & Prof. Sangeeta Kulkarni attended NAAC Sponsored National Conference on Curriculum design and evaluation organized by Internal Quality Assurance Cell (IQAC 2017-18)

7th -9th Jan, 2018

Prof. Sangeeta Kulkarni attended Pre Conference Workshop/ Conference of ICTIEE 2018, 5th International Conference on Transformations in Engineering Education of ICTIEE 2018 organized by Thiagarajar College of Engineering, Madurai, Tamil Nadu.

Online Courses

Prof. Akshata Prabhu completed Online Course organized by Data Camp.

1. Data Visualization with R Track
2. Machine Learning with Python Track

Prof. Chetna Singh completed Online Course Certification organized by NPTEL Online, IIT Madras

1. Effective Engineering Teaching in Practice, Feb.- March, 2018 (4 week Course)
2. Introduction to Research, Feb.- March, 2018 (4 week Course)
3. Cryptography & Network Security" Jan.- April, 2018 (12 week Course)

Prof. Shilpa Vatkar completed Online Course on "Optimization Techniques for Digital VLSI Design" organized by NPTEL Online Certification, IIT Guwahati, Feb.- March, 2018 (8 week Course)

Prof. Baishakhi Bose completed Online Course on "Swayam" organized by Swayam, offered by

University of Mumbai, Nov.- March, 2018.

Industrial Visits

Prof. Sharvari Deshmane, Prof. Savita Raut & Prof. Chetna Singh organized Industrial Visit to 24th March, 2018 to CETTM, MTNL Mumbai for TY B Tech Students KJSCE.

Staff Activities

Sept 2017-Feb 2018

Ms. S. K. Desai completed CCNA course, RST forum, Matunga.

Jan 2018

Mr. Santosh Chaudhari completed Advance Diploma in "Computer Software System Analysis and Application" by MSBTE.

Student Activities

Co-curricular Activities

Student's participation in PRAKALP 2018

LY B.Tech

Student Name	Project
Lad Tejas Kishore Veena	Creation and security of database using handwriting recognition and fingerprint recognition
Rajgor Ridhi Ashok Jayshree	
Gund Ninad Bharat Tanuja	
Parikh Devansh Rajiv Sejal	Bottling line inspection system
Shah Dharmesh Rashmin Rachna	Smart Paper Clip
Shethia Sagar Rajesh Vaneeta	
Shah Manav Dinesh Bela	
Shah Tanay Rajesh Jigna	

Following students secured 5th rank in VLSI & Embedded Systems Design Contest, Pune

Shah Dharmesh Rashmin Rachna
Shethia Sagar Rajesh Vaneeta
Shah Manav Dinesh Bela
Shah Tanay Rajesh Jigna

Following students (SY B.Tech) were first runner up in Tech Schield KJSCE TPP on Green Building Project at KJSCE

Surya Maheshwar
Nagisetty Sri Sai Praneeth Naidu

Following students (LY B.Tech) were in top 10 of Tata hackthon

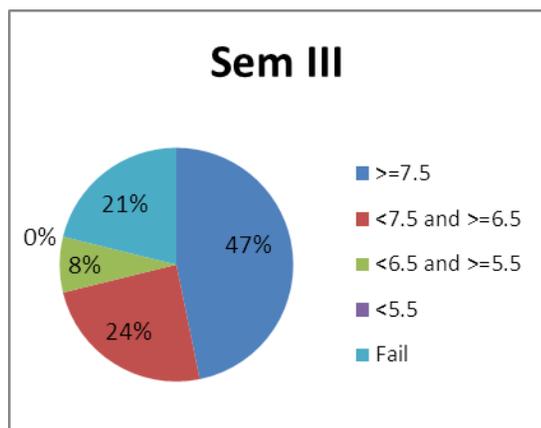

Rathod Jigisha Dharmendra Chhaya
Kulkarni Mayuri Milind Rachana

Special Awards

Bro. Shah Nirav Mehul Purvi and Bro. Chirag Shah received special awards at the national level.

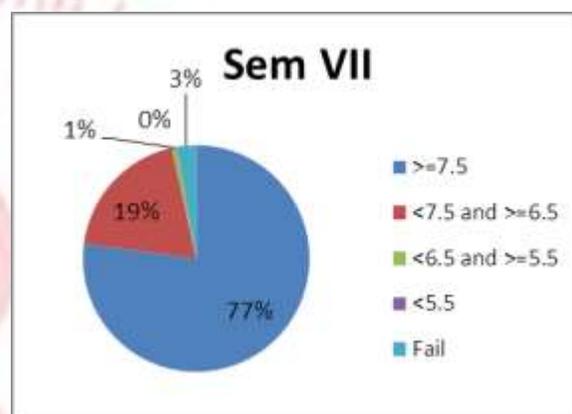

VLSI & Embedded Systems Design Contest, Pune	Jan 2018/first
E-Yantra Idea Competition, IITB	March 2018/most realistic project
Colors of Youth Technovation	April 2018/first
