ABOUT US

Padmabhushan Karamshibhai Jethabhai Somaiya founded Somaiya Vidyavihar an education trust in 1959, to provide quality holistic education. It was founded on the belief that, education is an important pillar of nation building with the power to change lives, and that it is the duty of the privileged to help provide it to whoever aspires to be educated.

Somaiya Vidyavihar encompasses 34 institutions, with more than 39,000 students and 1,500 faculty. Its educational institutes are spread across two main campuses - a 50 acre complex in Vidyavihar and a 28 acre complex in Sion both located in the heart of Mumbai besides a number of smaller campuses across rural Maharashtra, Karnataka and Gujarat. Currently we offer Degree, Diploma & Certificate courses at Undergraduate, Post Graduate and Doctoral levels. Somaiya Vidyavihar also runs a few autonomous Post-Graduate Courses, Vocational Training Courses and High Schools.

Somaiya Vidyavihar fosters an ecosystem that excels in education, research and service, a place where knowledge is preserved, disseminated and new knowledge is created. It is known as much for its Science, Technology, Medicine, Engineering, Management, Social Sciences and Commerce programs, as for its programs for academic studies in various Faiths and Cultures of India.

Shri. K.J. Somaiya guided Somaiya Vidyavihar until 1999, his son Dr. S.K. Somaiya was at the helm of affairs till 2010. Today Shri. Samir Somaiya, a Cornell University and Harvard Business School alumnus is the President.

Our motto ज्ञानदेव तु कैवल्यम् | Knowledge alone liberates remains the bedrock, as we strive to expand and continuously innovate our education.

OUR FOUNDERS

Pujya Shri.
Karamshibhai J. Somaiya

Smt. Sakarben K. Somaiya

My dear young students, welcome to the institutions of Vidyavihar! Your finest hour is here. The future belongs to you. Let us all zealously work together and dedicate ourselves to building the India of our dreams. Remember, nothing was ever achieved without hard work. Be bold but not bowled over. Let truth and duty be your watchwords. Never despair in the face of setbacks. Keep courage and continue to work with fortitude. Have faith in yourselves and in the Almighty.

Strive for your goals and the future is yours!

Padmabhushan (Late) Pujya Shri. Karamshibhai J. Somaiya
(May 16th, 1902 - May 9th, 1999)

OUR INSPIRATION

Respectful Homage (Late) Dr. Shantilal K. Somaiya
(Dec 29th, 1927 - Jan 1st, 2010)

OUR INSPIRER AND OUR COLLECTIVE VISION

Honorable President
Shri. Samir S. Somaiya

Our Founder, Padmabhusan Shri K. J. Somaiya founded Somaiya Vidyavihar on the 9th of September 1959. He later founded the Girivanvasi Pragati Mandal, The K. J. Somaiya Medical Trust, Girivanvasi Education Trust and sister institutions to make great citizens of India and the World. In the words of Swami Vivekananda, "We want that education by which character is formed, strength of mind is increased, the intellect expanded, and by which one can stand on one's own feet." We have now grown into a multi-disciplinary and multi-campus education institution with over 1500 faculty, and 39,000 students.

Our motto is : ज्ञानादेव तु कैवल्यम् । Knowledge alone liberates. Liberates from poverty, from hunger. Knowledge liberates one from the attachment that bind us to small - mindedness and also provides the opportunity to make life more meaningful. In the service of one's family, one's community, one's समाज, country, and indeed the world. Bearing in mind that there is no religion other than the life lived in the service of humanity, नमानुषात् परो धर्मः । We will strive to provide access and opportunity to build a more inclusive society.

Our education in any subject will reflect its timeless fundamentals, its current context, and applications. There is so much scientific discovery taking place, at the intersection of fields, of biology, computing, medicine, the social sciences and everywhere else.

We will provide students and faculty with an environment to engage this world, to discover new truths, make new applications to create and share knowledge.

Our education will also be experiential. With projects that are 'real' and those that complement the learning inside the classroom.

Our students and faculty will be at the cutting edge of change, to incubate companies, to create NGOs, and pursue any field of their passion.

Our education will also be holistic. Sports and physical exercise must be a firm part of the curriculum. For students to develop a love for sports, for recreation, for health, for teamwork and for competition. Our education will also instill an appreciation for art and culture.

In the Bhagavad Gita, Arjun asks Krishna how is one to control one's mind that is as fleeting as the wind. Krishna responds that it can only be done through practice and discipline. वैराग्येण तु कौन्तेय अभ्यासेन च गृह्यते । We will strive to teach our students to learn to stay calm in our turbulent world.

And our education will also include the ancient Indian tradition, its culture, its depth, and its knowledge. We must keep the connection with our mother tongue and our languages. Languages are storehouses of culture, and the loss of a language takes with it much learning, stored through it over the ages. Finally, our education will help students lead a full life, to fall in love with life.

Our dream, is to build a world class research and teaching institution, that is global in the reach of its ideas, and universal in its service. Welcome to our community.

HARE KRISHNA !!!

Dear Students,

Welcome to this wonder land. The real meaning of education is to connect your efforts to the Supreme. May this 'Saraswati kshetram' enrich you with knowledge and not mere literacy. Understand yourself and others too. Thank for what you have and think what others don't have. Compete only for good cause and never it be defensive. Let your mind have meaningful thoughts, tongue have beautiful words and a smiling face. May this University bestow you with all paraphernalia to live a decent life with all the noble attributes.

Dr. Shailaja S.Menon

Mrs. Beena Suresh Kumar
(Supervisor, K. J. Somaiya
Jr. College Sci. and Com.)

The aim of education is the knowledge of values and not only of facts. There are no shortcuts to any place you dream to reach. Always turn a negative situation into a positive one and blossom into men and women who are capable of doing new things, not simply of repeating what other generations have done. Welcome dear students and may you bring more laurels to our institution !

Mrs. Urmi Thakkar
(Co-ordinator, Junior colleges)

AHEAD OF THE CURVE

Dr. Pradnya Prabhu
(IC Principal, K. J. Somaiya College Jr. College Sci. and Com.)
